KIDS CLUB VERY IMPORTANT UPDATES!

Parents please take note of some very very important updates that will be in effect and enforced Nov 1st.

Kids Club Friday Hours

Kids Club will be open from 8:00am-12:00pm on Friday mornings and closed on Friday evenings.

Themed Weeks & Fun Friday's

After some long thought, beginning this month instead of just individual weeks being themed, the entire month will have a fun and creative theme! Each theme will be created according to any season or special events that takes place during the month. There were so many kids that were unable to come for Fun Friday's and were missing out on the special day's. With that, we would like to change things up so everyone has the opportunity to participate in all the fun activities. The special activities will be posted on the on the white board in Kid's Club and noted on each month's newsletter so you can stay informed with all the details!

Payments, Hours & Time Limitations

If you are paying daily for childcare usage please make sure the children are paid for before you drop them off in Kid's Club. We are required to print a ticket for the children as they are being checked in. Drop off will not be allowed until payment is made. Kid's Club hours are always posted throughout the club. We strive hard every month to be as efficient and considerate as possible with the amount of hours that are available for you to utilize Kids Club. We base a lot of our staffing and hours around group ex and other program schedules. We kindly ask that you please help us stay as efficient as possible by respecting all of our hours and time limitation policies! Just as there always really has been, a 2-hour per day policy is still in effect and we will be enforcing the policy daily. You may drop off your children for a maximum of 2 hours per day. Please plan all of your classes and workouts accordingly.
