COME JOIN US FOR SUMMER FUN!

Summer time is a great time to get the kids out of the house and involved in something fun and active. What a better place than Temecula Valley Fitness Club's "Summer Play Camp."

Our summer camp for kids offers five hours of fun activities! Camps are designed for kids ages 4 to 10, each day of camp combines physical fitness, sports, themed games, obstacle courses, group activities, arts and crafts, and snacks - which all add up to the perfect day of camp for kids.

All activities will be played indoors in our multi-sport gym and the kid's Club. This year the camp will be staffed by our Kid's Club Attendants and one of our Murrieta Tennis Club Tennis Pro's. We will be offering camp Monday thru Thursday 9am-2pm all summer long!! Extended care will be available from 2-4 pm for an additional charge.

Spaces are limited, so reserve your sport today. Pre-payment along with registration form are required for a reservation. Unfortunately, there are no drop-ins for missed classes.
